EXAMINER'S AMENDMENT

Drawings

The drawings sheets were received in the amendment of July 30, 2004. These drawings are not approved because these drawings do not present formal drawings over and beyond applicant's originally filed drawings. Therefore, applicant's originally filed drawings are only considered and deemed formal.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Scott Charest (pro-se applicant) on October 13, 2004.

The application has been amended as follows:

SPECIFICATION:

In line 4 of the abstract, after "graspable", "portion" has been changed to read -- projection --.

After the last word of the abstract, a "period mark" has been inserted.

CLAIMS:
